Suitable for indoor use at 25°C

Apta para uso interior a temperatura ambiente de 25°C

Box contains | Contenido de la caja:

A - Lampshade | Tulipa [1]

B - Holder | Soporte [1]

1

The lamp should be treated with care. Occasionally getting the lampshade with strength may modify its original design. To solve it, open the lampshade and mold with your hands all the crushed parts so that they recover their original shape.

Debido a la flexibilidad del material, al manejar la tulipa se puede modificar su diseño original. Para solucionarlo, moldear con la mano las zonas donde se aplaste para que vuelvan a su posición original.

2

Place the light bulbs into the lamp holder. Fit the lampshade onto the holder. Turn it until it reaches the end stop by introducing the fixing screws into the support slots. Tighten the fillet of the fixing screws to fasten the shade to the support.

Ponerle las bombillas en el portalámparas. Encajar la tulipa sobre el soporte. Gírala hasta que haga tope al introducir los tornillos de enganche en las ranuras del soporte. Apretar la rosca de los tornillos de enganche para asegurar la tulipa al soporte.
