Tighten the strain relief situated on the canopy

Encajar el florón en la pieza de sujeción y apretar los tornillos de seguridad.

Apretar el tensor del cable situado en el florón.

3

The lamp should be treated with care. Occasionally getting the lampshade with strength may modify its original design. To solve it, open the lampshade and mold with your hands all the crushed parts so that they recover their original shape.

Debido a la flexibilidad del material, al manejar la tulipa se puede modificar su diseño original. Para solucionarlo, moldear con la mano las zonas dónde se aplaste para que vuelvan a su posición original.
